Poreč-1km from the sea-new quality apartments under construction

If you are looking for a quality new building near the sea and Poreč, this is the ideal property for you!

Two houses with four residential units are being built in the attractive Poreč settlement.

While the apartments on the ground floor will have a yard, the apartments on the first floor will have beautiful roof terraces with a view of the sea.

BUILDING "A"

S22

APARTMENT B on the first floor of the building - net area of the apartment 94m²

It consists of an entrance hall, bathroom, three bedrooms, one of which has its own exit to the balcony and its own bathroom, living room with kitchen and dining room - exit to the balcony.

The apartment also has a private roof terrace of 55 m², a green roof of 37 m², a basement of 15 m² and two parking spaces.

Heating and cooling of the apartment will be via underfloor heating and inverter air conditioning.

Planned completion of construction in 05/2024
